

3DAYS 4 NIGHTS ECO HOST-BARIO VALLEY DISCOVERY

Community Based Program

Day1: Arrive in Bario [Lunch/Dinner]

Meet and greet at Bario Airport then transfer to Ngimat Ayu home stay.

After lunch, proceed to the villages in Bario. Visit to the community museum, 2nd World War Monument, 2nd World War Airplanewreckage, visit Wind Chapel on the top of the Bario Secondary School.

Day 2: Bario [Breakfast/Lunch/Dinner]

Wakeup at wee hours for a light breakfast before pick up to Arur Dalan village. From here, you will start your trekking up to the Prayer Mountain to experience the panoramic view of sunrise over Bario Valley. The elevation of the Prayer Mountain is approximately 1,430metres above sea level and the height of the hike from the trails head is about 340metres. Easy trek up remained easy until about 300metres before the summit, where the challenge began. The slope was steep and ropes were provided to help hikers. At the summit was a tall cross at least 15 metres tall. The cross erected in 2015 to replace an old and small wooden cross.

After your light refreshment at the home stay, we will continue our visit to the Bario Salt Spring. Witness the Kelabit traditional way of possessing their mountain salt. Visit Pa' Umor longhouse where lunch will be served. After lunch, short trek to the ancient megaliths (Stone Carvings). Locals claim that this is actually a burial ground for a kelabit nobleman named Ritong hundreds years ago. The man made structures or carvings are called Megaliths, which date back thousand of years. The site was excavated in 1962 by British soldier Tom Harrison, one of the most popular megaliths.

Day 3: Pa' Lungan Village [Breakfast/Lunch/Dinner]

After breakfast, you will depart to Pa' Ukat village. From here we will start our easy trekking to Pa' Lungan village and overnight at thevillage.
