NIKA ISLAND RESORT & SPA, MALDIVES

Nika Island Resort & Spa in the Maldives is a charming boutique resort located in North Ari Atoll, on its own private island. It features about 43–44 villas, including Garden Rooms, Beach Villas, Deluxe Beach Villas, Water Villas, Family Villas, and a Sultan Suite — many with their own private beach, outdoor jacuzzis, and lush vegetation for privacy. The resort blends Italian design with Maldivian architecture, using natural materials and creating a relaxed, rustic-luxury vibe. Dining includes a main restaurant serving buffet meals and à la carte dinners, plus bars and a coffee shop where you can enjoy snacks, drinks, or sunset views. For wellness, there's the Lotus Spa with over-water cottages surrounded by lotus ponds. Activities include snorkeling (the

house reef is just offshore), diving, various water sports, evening relaxation, excursions (sunset cruises, island hopping), and special moments for couples such as romantic beach dinners.
